Career Expo at the 47th Annual Maine Biological and Medical Sciences Symposium

The Maine Biological and Medical Sciences Symposium (MBMSS) has a long history in Maine. Attendees include undergraduates, graduate students and post-doctoral research fellows, researchers and faculty from universities and colleges throughout the state.

April 24-25, 2020
MDI Biological Laboratory

Career Expo

The MBMSS Career Expo will take place on Saturday April 25 after lunch and before the final session of the day. The Career Expo provides students the venue to find out about career and graduate school opportunities as well as scientific entrepreneurship ventures in Maine. Registration and meals are provided for one representative from your business or organization.

Sponsorship

In addition to participating in the career expo, we invite you to sponsor MBMSS. Here are the sponsorship opportunities we offer:

Levels of Sponsorship

\$500 **\$1000** **\$1500+**

Benefit	MBMSS Level 1	MBMSS Level 2	MBMSS Level 3
